## 4C's Summer Bridge Includes:

- **FREE Summer Math Course**
- **FREE Success in STEM Course**
- **Two \$500 stipends**

The STEM Summer Bridge program provides students with the opportunity to take a free college math course, a free success in STEM course geared to success strategies in STEM degree tracks and qualify for a \$500 stipend for Summer and Fall.

Eligible students must apply to Cape Cod Community College through Admissions and be enrolled full-time in a STEM program for the fall semester.
